

CAMP WELLVILLE INC.

Playground Fundraiser

Dear Camp Wellville supporter,

For fifty-two years Camp Wellville has served as a sanctuary for family and friends to gather and rejuvenate their mind, body and spirit. Wellville means something special to each one of us and therefore relies heavily on the support of its campers and volunteers to keep the facilities safe and up to date while running successful programs year after year.

This year we turn our attention to the aging playground. This was built by campers many years ago and has received a lot of use over the years. This spring the board of directors has voted unimously to purchase a new playground to be installed in time for the start of daycamp.

This new playground is built out of cedar and will feature activities for a variety of ages. In addition we can add accessories such as extra slides and rock walls in the future.

The cost of this playground will be \$6500.

In addition we would like to put down wood chips. We hope that you will support our efforts to provide a safe and enjoyable environment for the children of Camp Wellville. Financial support is appreciated as is volunteer efforts. If you would like to be contacted about volunteer options please check off the box below.

Thank you for your support. We look forward to another great season at Camp Wellville!
